

Patient Rights & Responsibilities

Patient Rights:

1. Be fully informed in advance about care/service to be provided, including the disciplines that furnish care and the frequency of visits, as well as any modifications to the plan of care
2. Be informed, both orally and in writing, in advance of care being provided, of the charges, including payment for care/service expected from third parties and any charges for which the client/patient will be responsible
3. Receive information about the scope of services that the organization will provide and specific limitations on those services
4. Participate in the development and periodic revision of the plan of care
5. Refuse care or treatment after the consequences of refusing care or treatment are fully presented
6. Be informed of client/patient rights under state law to formulate an Advanced Directive, if applicable
7. Have one's property and person treated with respect, consideration, and recognition of client/patient dignity and individuality
8. Be able to identify visiting personnel members through proper identification
9. Be free from mistreatment, neglect, or verbal, mental, sexual, and physical abuse, including injuries of unknown source, and misappropriation of client/patient property
10. Voice grievances/complaints regarding treatment or care or lack of respect of property, or recommend changes in policy, personnel, or care/service without restraint, interference, coercion, discrimination, or reprisal
11. Have grievances/complaints regarding treatment or care that is (or fails to be) furnished, or lack of respect of property investigated
12. Confidentiality and privacy of all information contained in the client/patient record and of Protected Health Information (PHI)
13. Be advised on the agency's policies and procedures regarding the disclosure of clinical records
14. Choose a healthcare provider, including choosing an attending physician, if applicable
15. Receive appropriate care without discrimination in accordance with physician's orders, if applicable
16. Be informed of any financial benefits when referred to an organization
17. Be fully informed of one's responsibilities

Patient Responsibilities:

1. The patient should promptly notify the Wound Management of Okla. of any equipment failure or damage.
2. The patient is responsible for any equipment that is lost or stolen while in their possession and should promptly notify Wound Management of Okla. in such instances.
3. The patient should promptly notify the Wound Management of Okla. of any changes to their address or telephone.
4. The patient should promptly notify the Wound Management of Okla. of any changes concerning their physician.
5. The patient should notify the Wound Management of Okla. of discontinuance of use.
6. Except where contrary to federal or state law, the patient is responsible for any equipment rental and sale charges which the patient's insurance company/companies does not pay.

Medicare DMEPOS Supplier Standards

The products and/or services provided to you by Wound Management are subject to the supplier standards contained in the Federal regulations shown at 42 Code of Federal Regulations Section 424.57(c). These standards concern business professional and operational matters (e.g. honoring warranties and hours of operation). The full text of these standards can be obtained at <http://ecfr.gpoaccess.gov>. Upon request we will furnish you a written copy of the standards.
